CURRICULUM

Noah's Park® offers "adventure trails" that lead to a better understanding of Jesus and that you are important to him! The Bible stories come to life through puppets, music, prayer, snacks, crafts, and games which give kids a glimpse into God's love!

Children are dismissed from the worship service to Kid City around 9:50 a.m. Children's Ministry volunteers will lead your child to their classrooms. Your child may be picked-up after worship in room 108 after 10:50; or, stick around for Sunday School--your child is sure to have a great time learning more about God's word in Discovery Land!

DISCOVERY LAND™

In Discovery Land, children learn the Know Right, Think Right, Do Right, Feel Right concepts which are all based on God's truths found in the Bible!

We are so excited to begin this new curriculum in the fall of 2017! Your child will learn the gospel message through the Wordless Book (the gospel message in colors) and be able to share the gospel confidently with others. Tracker's Treasures and Tracker Jr. challenges your child to study God's word throughout the week ... and receive rewards for doing so!

Sunday mornings begin with a pre-game review and worship, followed by a Discovery Time activity, and closes with the Bible lesson. Children also learn the importance of missions through video stories and practical activities. We look forward to seeing you in Discovery Land this fall!
